I, _____ am at least 18 years old and have submitted the attached application for participation in Special Olympics.

I represent and warrant that, to the best of my knowledge and belief, I am physically and mentally able to participate in Special Olympics activities. I also represent that a licensed physician has reviewed the health information contained in my application and has certified, based on an independent medical examination, that there is no medical evidence which would preclude me from participating in Special Olympics. I understand that if I have Down Syndrome, I cannot participate in sports or events which by their nature result in hyper-extension, radical flexion or direct pressure on my neck or upper spine unless I have had a full radiological examination which establishes the absence of Atlanto-axial instability. I am aware that I must have this radiological examination before I can participate in equestrian sports, gymnastics, diving, pentathlon, butterfly stroke, diving starts in swimming, high jump, alpine skiing, and soccer.

Special Olympics has my permission, (both during and any time after), to use my likeness, name, voice, or words in either television, radio, film, newspapers, magazines, and other media, and in any form, for the purpose of advertising or communicating the purposes and activities of Special Olympics and/or applying for funds to support those purposes and activities.

If, during my participation in Special Olympics activities, I should need emergency medical treatment, and I am not able to give my consent or make my own arrangements for that treatment because of my injuries, I authorize Special Olympics to take whatever measures are necessary to protect my health and well-being, including, if necessary, hospitalization.

I, the athlete named above, have read this paper and fully understand the provisions of the release that I am signing. I understand that by signing this paper, I am saying that I agree to the provisions of this release.
